## **1 Transparency and Governance Policy**

Khanpur Institute of Technology (KIT) adheres to principles of transparency, accountability, and ethical governance.

- All donations are deposited into KIT's official bank account maintained with UBL.
- Financial records are maintained in accordance with applicable laws and accounting standards.
- Funds are subject to internal review and, where applicable, external audit.

KIT endeavors to ensure that donated funds are utilized responsibly and in alignment with its educational mandate.

While KIT adheres to transparency principles, it is not obliged to publicly disclose details of financial statements except as required by the law or regulatory authorities.
